DEPAUL AND BEYOND: PREPARING YOUR CHILD FOR LIFE AFTER DEPAUL

Wednesday, February 15

Morning Session: 9:30 am – 11:00 am

Evening Session: 6:30 pm – 8:00 pm

Join us for pizza and soda at 6:00 pm.

PROGRAM

Transition to school district based services can be a very stressful time for both the child and parent. This workshop will discuss the transition process, the skills your child must have before leaving DePaul, and the parent's role as an advocate for your child. It will also provide information about the skills a child must develop in the mainstream to ensure continued success. By being active participants in the transition process, parents can help create an atmosphere that makes transition to the mainstream the positive experience it should be.
